

## Orange Park / Jacksonville Hotels

---

While Concepts in Focus serves the Jacksonville market, the facility is actually located in Orange Park, FL. There are numerous things you want to consider when booking your hotel. If you have an early morning flight, you may want to stay at a hotel at the airport, because it will take you approximately 45 minutes to get to the airport from Orange Park. However, if you have a group booked at Concepts in Focus early in the morning, you will want to stay at a hotel in Orange Park, to avoid the morning rush of traffic through Jacksonville. The following are local hotels that we know are satisfactory, or better. They are broken out into 4 areas (Orange Park, Airport, Downtown Jacksonville, and the Jacksonville Beaches). If you have any questions please call us at 904.264.5578.
